Case Report Preparation Guide

In addition to the abstract rules listed in the website;

The case to be presented should be original.

Presentation preference (poster, case, oral presentation) must be specified when uploading the paper.

Names, identification numbers, patient files, etc. indicating the patient's identity should not be used in the case report text.

If the patient's picture, surgery image, etc. will be used in the case report, it should be stated that permission has been obtained from the patient and/or legal guardian.

Case report summary should be written using the headings of introduction, case presentation and conclusion.

E-Poster Preparation Guide

In addition to the abstract rules listed in the website;

Poster presentations should be prepared in PDF, PNG, or JPG format that can be viewed on a digital screen. Submissions in any other formats will not be accepted.

Posters must be prepared to be displayed on a single page, vertically, with a resolution of 300 dpi and dimensions of 1080x1920.

The posters must be sent to the e-mail address info@bildirim.org by October 25, 2025 at the latest. Please bring a digital copy with you to the congress.

No printed poster will be displayed. Please help us to save our planet.

Feel free to incorporate graphic materials from the 'Downloadable Promotional Kit' section of the website into your poster abstract, if you wish.

Video Presentation Preparation Guide

In addition to the abstract rules listed in the website;

In order for video presentations to be evaluated by the evaluation board, the abstract video file must also be sent in addition to the abstract uploaded online.

The video abstract file should be prepared in WMV, AVI or MP4 format.

The duration of the video abstract file should not exceed 2 minutes.

After the video abstract file is uploaded to a platform such as dropbox, wetransfer, google drive, yandex disk etc., the link should be sent to the e-mail address info@bildirim.org.

Please do not forget to include your detailed contact information and especially your mobile phone number in the e-mail you send so that we can contact you in case there is a problem with the video file you uploaded.

The deadline for uploading video files is the same as the abstract submission deadline.

Video presentations without a video abstract will be excluded from evaluation.
